

Revolution

• AN EVOLUTION IN SMOKING •

The Revolution: the first, personal, electric cigarette making machine.

- The Revolution makes a pack of perfect cigarettes in two minutes.
- The Revolution saves you \$20-\$30 on every carton you smoke each week.
- The machine is simple and easy to use: pour tobacco into hopper, add a tube and push a button. You have a perfectly made cigarette.
- The Revolution is perfect for those who enjoy a fresher, better cigarette. You can blend flavors, a half light/half full flavor cigarette, a pinch of menthol to a full flavor blend or even cherry and vanilla cigarettes.

Yes! I would like to order _____ Revolution machines, the world's first personal, electric Cigarette Making Machine.

Name _____ Store _____

Address _____

Phone _____

Fax _____

A \$10 check for each machine you order secures your place on the waiting list.
